

PREREQUISITES – GENERAL MEDICINE

The relationship between two subjects at the Faculty of Medicine and Dentistry can be:

- indifferent** – without prerequisites or other binding conditions
- requiring registration** - the student can sign up for the given subject concurrently or after the prior completion of a prerequisite
- requiring a prerequisite** – the student may sign up for the subject only after having completed the prerequisite

In the 2022/2023 academic year the above mentioned study plan is valid for the 6th year students only.
