

## **Curriculum Vitae**

### **Personal data:**

Name: Marina Hodolič

Address: Poljanska cesta 19,  
1000 Ljubljana, Slovenia

Mobile: +386 41 955 625

E-mail: marina.hodolic@gmail.com

Date of birth: 14 April 1977

Place of birth: Novi Sad, Serbia

Nationality: Slovak

Marital status: Single

Citizenship: Slovak, Serbian

### **Present position:**

**2014 – present: Clinical Research Supervisor for Europe, Nuclear medicine Research Department Austria, Iason, Austria**

**2011 – present: Medical Faculty Ljubljana, Slovenia, Medical faculty, Assistant professor**

**2015 – present: Medical Faculty, Palacky University Olomouc, Czech Republic**

**2009 – 2014: Department of Nuclear Medicine, University Medical Centre Ljubljana, Slovenia Specialist in Nuclear Medicine**

**2004 – 2009: Department of Nuclear Medicine, University Medical Centre Ljubljana, Slovenia Resident in Nuclear Medicine**

**October 2004 - December 2004: Department of Radiology, Clinical Centre of Vojvodina, Serbia Clinical activities**

### **Education:**

**2011: Medical Faculty Ljubljana, Slovenia Elected Assistant professor**

**2005-2010: University Medical Centre Ljubljana, Slovenia Specialization in nuclear medicine (mentor: Jure Fettich)**

**2004-2009: University Medical Centre Ljubljana, Slovenia Doctor of Science**

*Doctoral thesis:* "Factors influencing radioguided surgery of neuroendocrine tumours using <sup>99m</sup>Tc-EDDA/HYNIC-TOC"

**2004-2005: Medical Faculty Novi Sad, Serbia Master of Science**

**1996-2003 Medical Faculty Novi Sad, Serbia Medical Doctor**

### Secondments and Fellowships:

1. June 2013: International Comprehensive Cancer Centre Docrates, Helsinki, Finland, Department of Molecular Radiotherapy & Nuclear Medicine, *mentor: prof. Kalevi Kairemo* › clinical activities ( $^{18}\text{F}$ -choline PET/CT technology and peptide receptors, radionuclide therapy)
2. November 2012: Hospital Tenon Paris, France, Nuclear Medicine Department, *mentor: prof. Jean-Noel Talbot* - international Atomic Energy Agency fellowship › clinical activities
3. June 2010: National Cancer Institute CRO Aviano IRCCS, Italy, Nuclear Medicine Department, *mentor: prof. Marino Cimitan* › clinical activities
4. September 2009: Hospital Humanitas, Nuclear Medicine Department, Milano, Italy; *mentor: prof. Arturo Chiti* › clinical activities
5. September 2009 - October 2009, April 2011: Azienda Ospedaliera S. Orsolo-Malpighi, PET Centre, Bologna, Italy; *mentor: prof. Stefano Fanti* - International Atomic Energy Agency fellowship. Additionally October-December 2015 › clinical activities
6. July 2009: Nemocnice na Homolce, PET Centre, Prague, Czech Republic; *mentor doc. Otakar Belohlavek* › clinical activities
7. August 2006 - October 2006 and May 2008: Department of Nuclear Medicine, Hammersmith and Charing Cross Hospital, London, UK.; *mentors: prof. Adil Al-Nahhas and Dr. John Frank* - International Fellowship Dr. John Frank › clinical activities › research leading to publications
8. November 2001: Clinic for Neurology, University of Bologna, Italy – Coimbra Group Hospitality Scheme; *mentor: doc. Patrizia Avoni* - exchange students' program › clinical activities in neurology

### Courses:

- American PET/CT update, American College of Radiology, Chicago, USA, March 2015
- Hybrid Imaging Course, European School of Radiology; Barcelona, Spain, November 2014
- IAEA Training Course on Hybrid Imaging: SPECT/CT and PET/CT (external supervisor); Pisa, Italy, December 2013
- School of Computed Tomography; Novi Sad, Serbia, October 2013
- EORCT meeting of Imaging group; Brussels, Belgium, September 2013
- ASCO training course « Monitoring of Clinical Trials »; St. Petersburg, Russia, June 2013
- EU Science: Global Challenges, Global collaboration; EU Parliament, Brussels, March 2013
- EANM Advanced Learning Course on PET/CT in Oncology; Vienna, Austria, 2011 – IAEA fellowship

- Imperial PET/CT course; Hammersmith Hospital London, UK, 2010 – Hammersmith Hospital fellowship
- EANM Learning Course on PET/CT in Oncology; Vienna, Austria, 2008 – IAEA fellowship
- European School of Nuclear Medicine; Opatija, Croatia, 2005, 2006, 2007, 2009, Bratislava, Slovak Republic, 2007 – EANM fellowship
- Course "E-learning systems in medical education" (programs: Doc'n Drugs, La Medica, Medical terminology, Medianovo); Medical Faculty, University of Ulm, Germany, 2003 and 2004 – German Government fellowship

#### **Prize:**

- First prize at European School of nuclear medicine; Opatija, Croatia, 2006
- Prize of University of Novi Sad for student research project, 2000 and 2001

#### **Published books/chapters:**

- Chapter "<sup>18</sup>F-choline in prostate cancer", book "Prostate cancer imaging", *Elsevier USA* –
- Chapter "Prostate carcinoma", book "Nuclear Oncology", *Lippincott W&W*
- Chapter "Hynic SPECT/CT", "Atlas of SPECT/CT Images", *Springer Verlag*

#### **Mentorship (PhD thesis):**

Tomislav Stantic, MD, MS

Vice President of Managing board of Serbian Medical chamber

#### **Reviewer for journals:**

- European Radiology
- Radiology and Oncology
- BMJ case reports
- Up2Date

#### **Memberships:**

- EORTC (European Organisation for Research and Treatment of Cancer) ; Committee of the the EORTC Imaging group
- AIMN (Italian Association of Nuclear Medicine)
- EANM (European Association of Nuclear Medicine): *Invited EANM lecturer at 2<sup>nd</sup> Balkan congress of nuclear medicine, Belgrade, 2013*
- Medical Chamber of Slovenia

#### **Licences:**

Slovenian Nuclear Medicine License

Nuclear Medicine License for Scandinavian countries

**Invited lectures and Bibliography:**

Attached in different file

**Languages:**

Slovak - native speaker

English, Slovenian, Serbian (Croatian) - fluent in written and spoken

Italian - intermediate
