# CAREER CENTRE

The Career Centre offers students for free:

- Individual consultations
- Career counselling and coaching
- Development courses, lectures, workshops
- Wellbeing programmes
- Career portal → job and internship listings

↳ easier navigation of the job market,  
self-awareness and confidence boost,  
inspiration, networking opportunities

# VOLUNTEERING CENTRE

The Volunteering Centre focuses on:

- Building a community of volunteers
- Connecting volunteers with organisations
- Organising its own volunteering activities
- Providing assistance during emergencies

↳ personal growth, meaningful use of free time, networking, and interesting experiences

# STUDENT INITIATIVES

Palacký University is home to 50+ student initiatives that:

- Bring together over 2,000 active students
- Organise 1,000+ events annually (lectures, exhibitions, workshops, parties, orientation programmes for first-years, international trips, etc.) for thousands of participants

↳ teamwork skills development,  
CV experience, friends across disciplines,  
fun, and unforgettable university memories

When you join a student initiative  
and everyone immediately starts  
giving you tasks:

# SPEAKING CLUB UP

We bring Czech and international students together at Palacký University in a relaxed, friendly atmosphere.

- Immerse yourself in local culture through real conversations
- Meet people from all over the world
- Join hikes, cultural trips, and social events (yes, including Czech beer! 🍺)

# FOLLOW @SPEAKCLUBUP ON INSTAGRAM

Be part of a community where you can broaden your social circles and connect across cultures!

STUDENT CLUB

gateway to the Talented Palacký Program

When you find out what  
the Student Club offers:

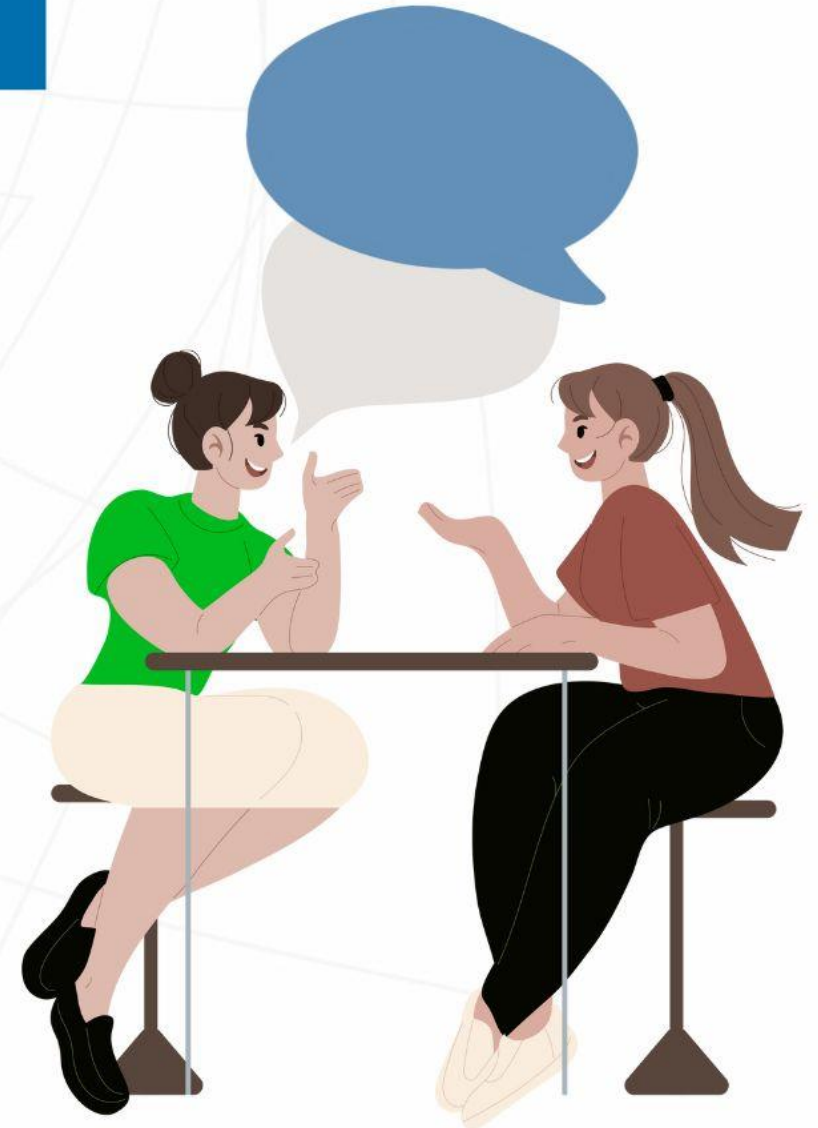

# BE WHERE YOU HAVE SUPPORT

The Student Club is a place where:

- **Students help students**
- You can find support, information, and guidance
- You can create, plan events, and meet people with the same ideas and drive to make things happen

# BE PART OF A COMMUNITY

The Student Club is a place where friendships, ideas, and projects are born.

It's a place where you can find:

- Student initiatives
- Shared events and informal gatherings
- The freedom to create and make a difference around you
