

Lighting the Flame

PHASE 2
RETREAT INFORMATION 2024

LIGHTING
THE
FLAME

Where

Estonia
July 10 - 14, 2024

**EHA will support all
participants' travel and
accommodation expenses.**

What & who

- Hematology trainings on research and clinical point of view
- Mentorship with young and senior hematologists
- Aimed to students, interns and residents with no medical specialty_yet decided

When

- Until **March 3** applications will be opened
- 25 participants will be selected

Application process

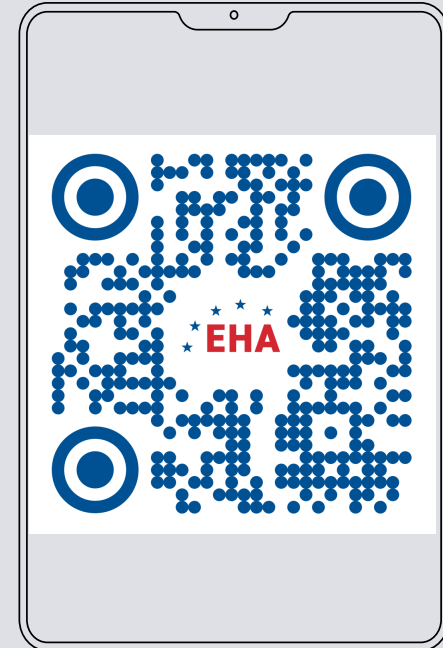

For your application please prepare a CV and a letter of motivation, where you should showcase your commitment to hematology, any previous involvement in hematology research, and highlight your academic achievements. You may also share a letter of recommendation.

Selection will be based on the above information (especially the motivation letter) as well as creating a balanced cohort.

The outcome will be informed by email by April 1.

The application form
can be found on the
Lighting the Flame
online platform.
