Completed by:

Credit requirements:

Completion of presentation and presenting in the seminar about health status of the country of student's origin. Details will be explained at the beginning of the course.

Exam requirements:

Knowledge of each seminar topic will be tested using final exam test. The threshold for getting credits is at least 70 % success rate. The credit test will be in written form. The date of the credit test will be announced within 14 days after the end of the course

Requirements:

Active participation of student in seminars. Absence from the seminar(s) is excused only for serious reasons (personal or medical). Relevance and possibility of the excuse is decided by the teacher. The student may, in agreement with the teacher, substitute teaching with another group or in another form (by the written seminar work on given topic).

In the case of an apology for absence(s) in the seminars, please contact: PaedDr. Mgr. Dagmar Tučková, Ph.D. et Ph.D., e-mail: dagmar.tuckova@upol.cz.
