But clinic is open not before 6:45 AM 😊

„dear colleague “
... Let me introduce you to our Phantom/as ...

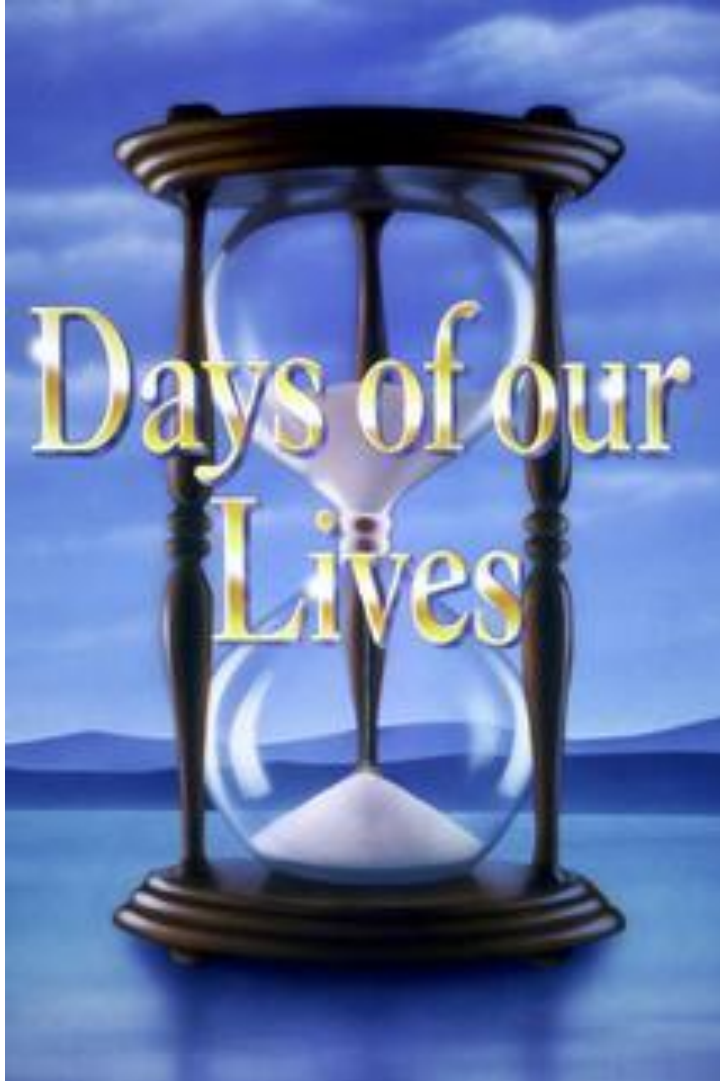

Preclinical dentistry
=
practical skills
=
practical credit !!!
only 3 attempts !!!

time goes by ...

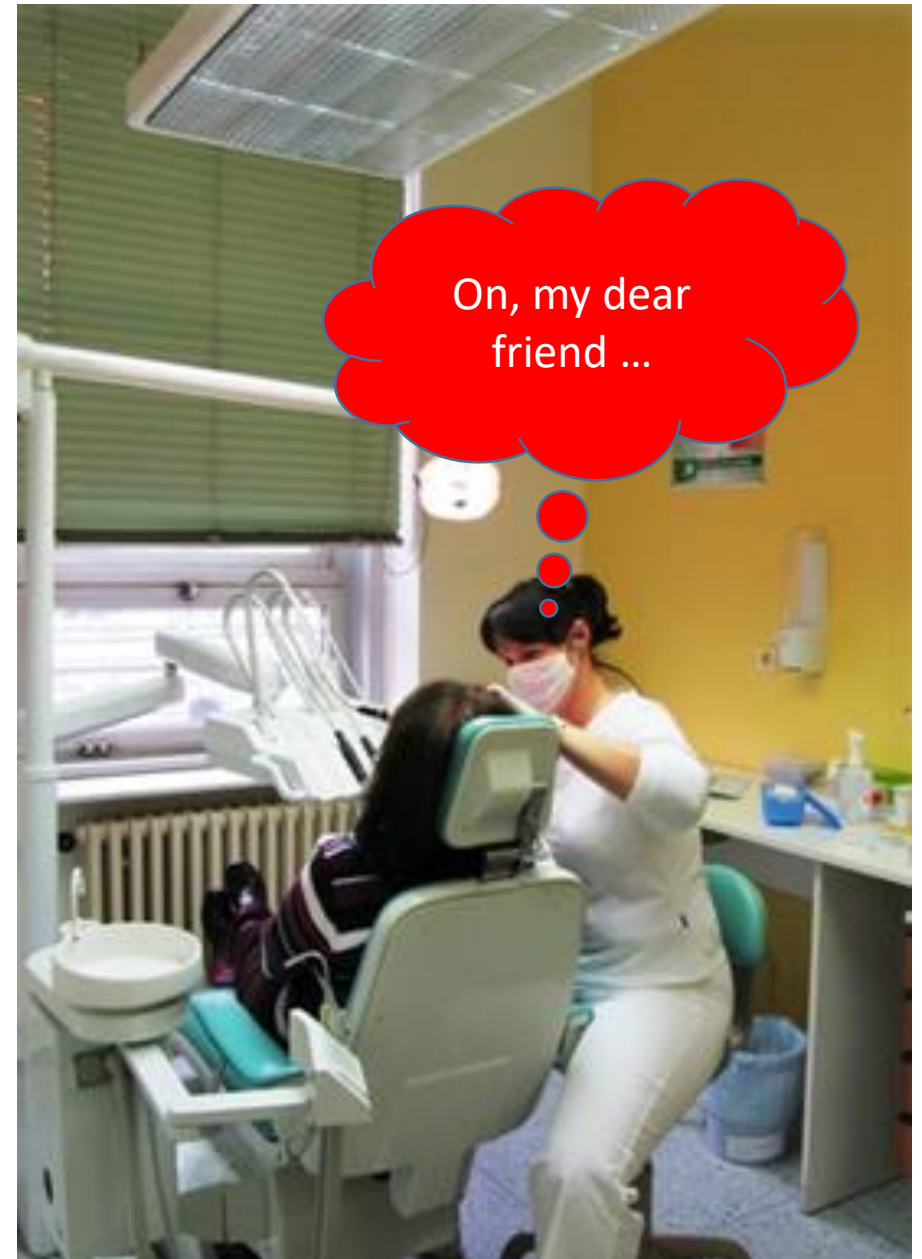

Preclinical dentistry

Anatomy

Chemistry

And so on...

Second year...

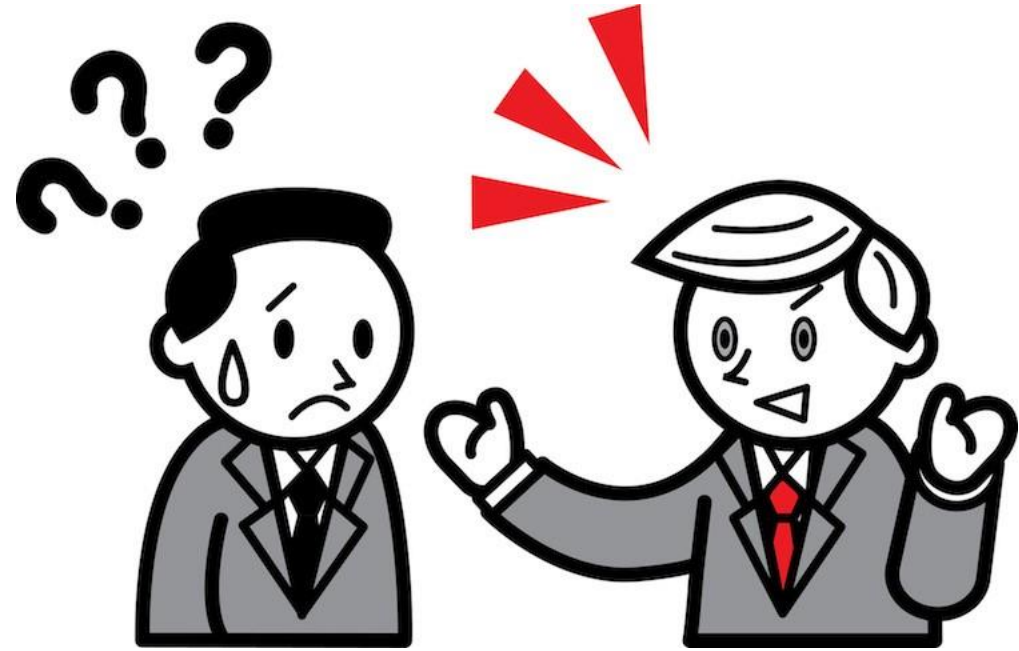

Czech language

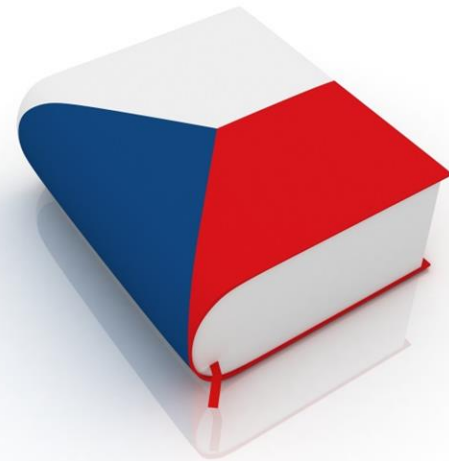

Important

From your 2nd study year/4th semester – necessary!!!

Treating patients!!!

„you must understand your patient“

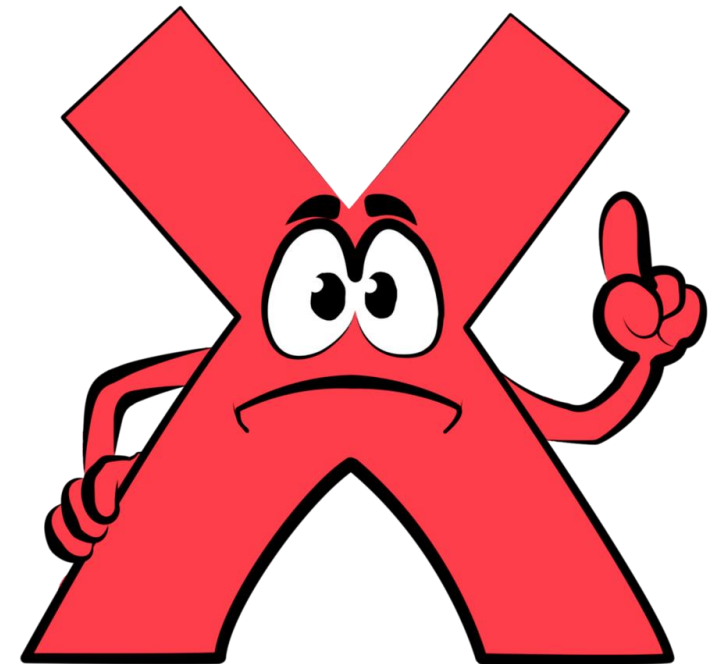

"Don't be afraid to ask"

"Better sooner than later"

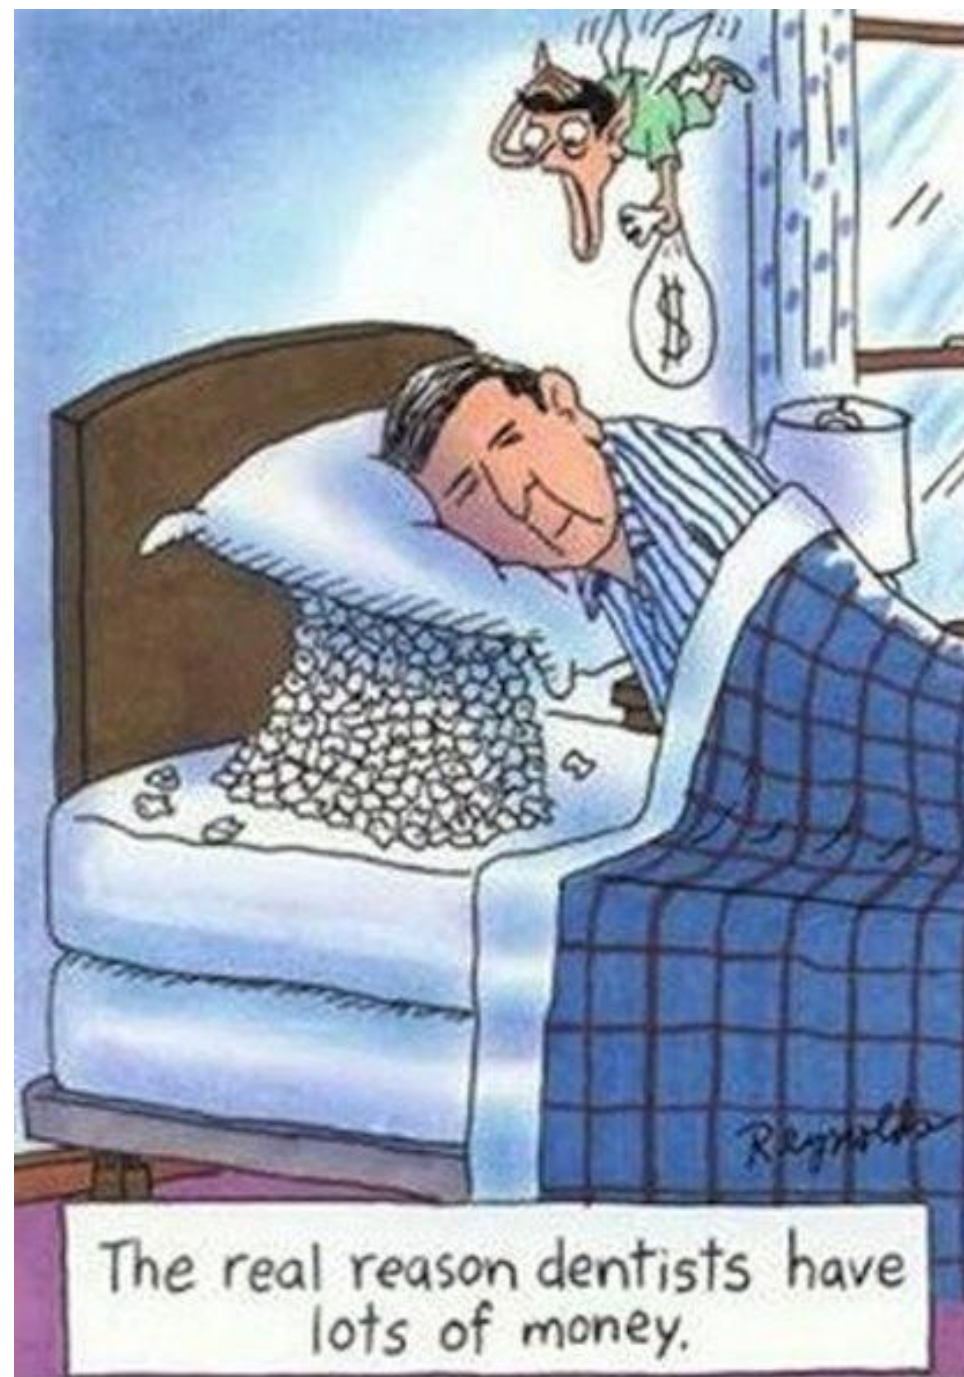

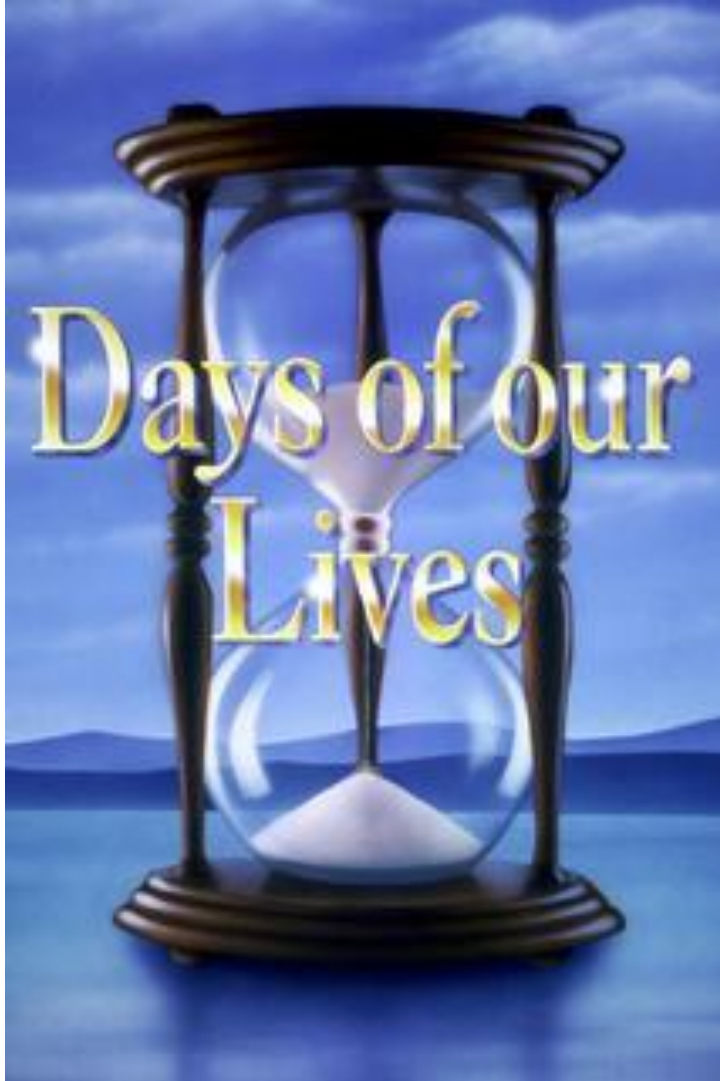

Personal contact

Evaluation

Anonymous Emails ??? ☹️

No troubles ...
Time goes by ...

The real reason dentists have
lots of money.

Preclinical dentistry

Operative dentistry

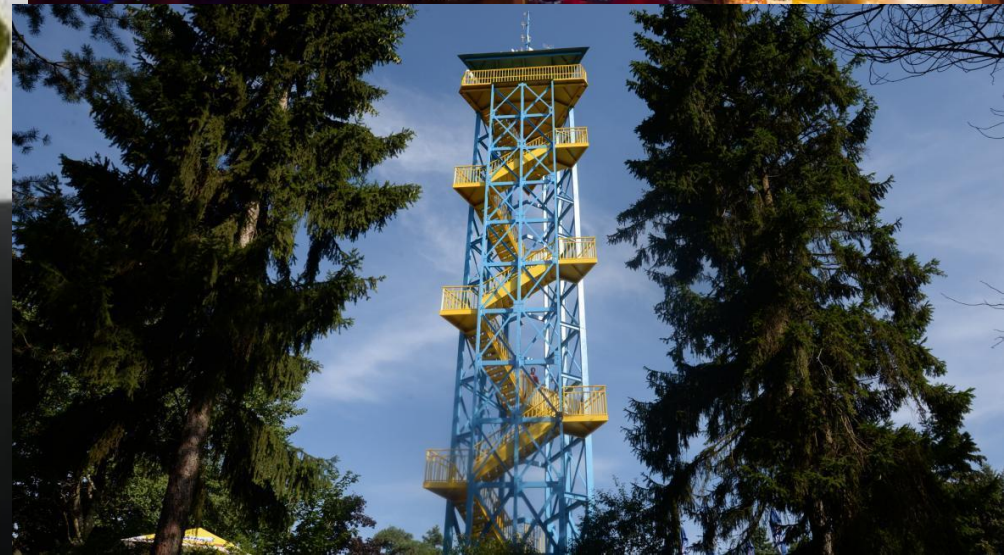

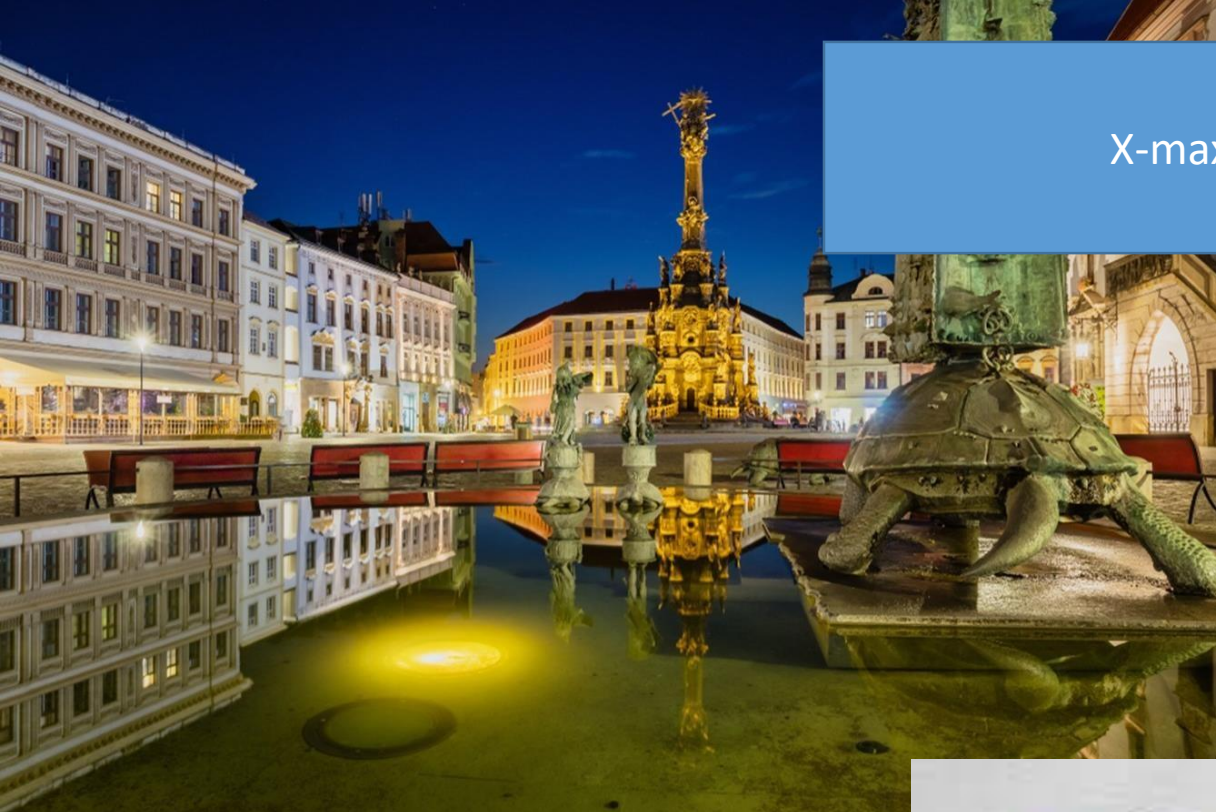

Prosthodontics

And so on...

STUDENT PARTY

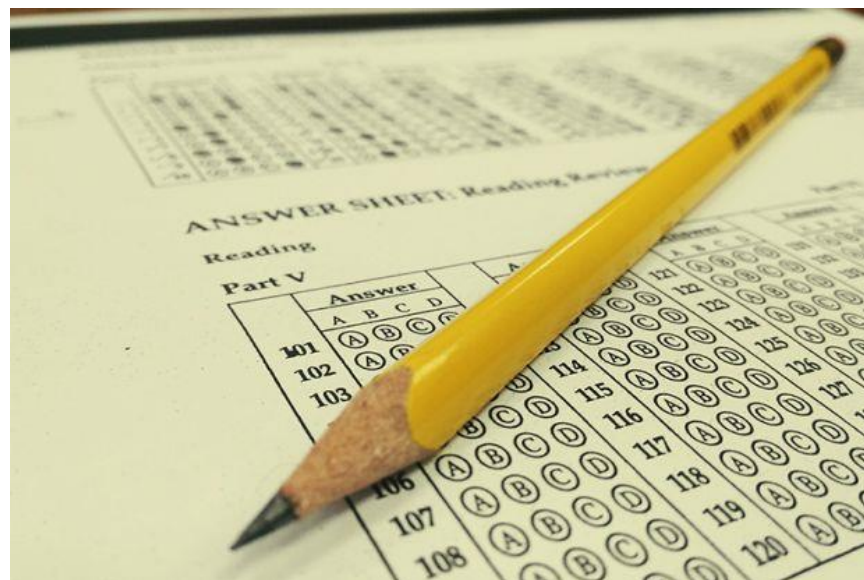

X-max time 😊

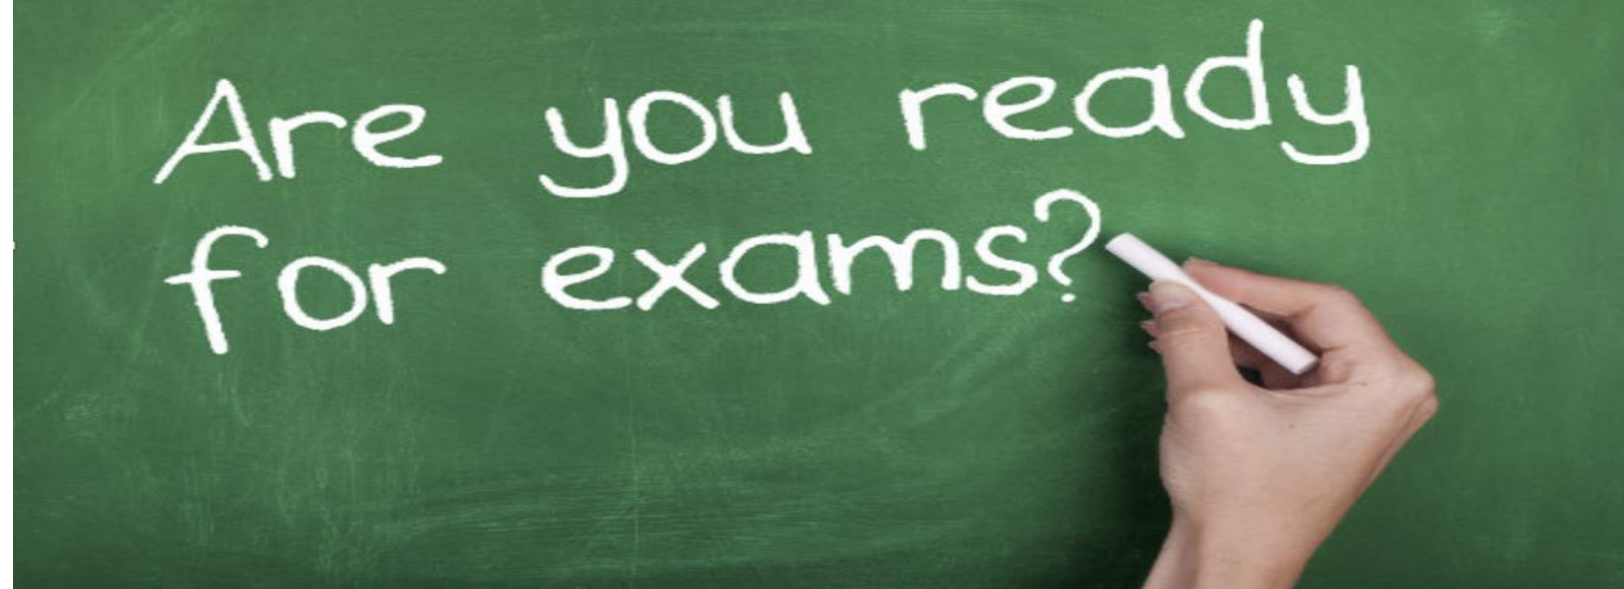

WINTER is COMING

JANUARY

ONLY

ONLY

ONLY

ONLY

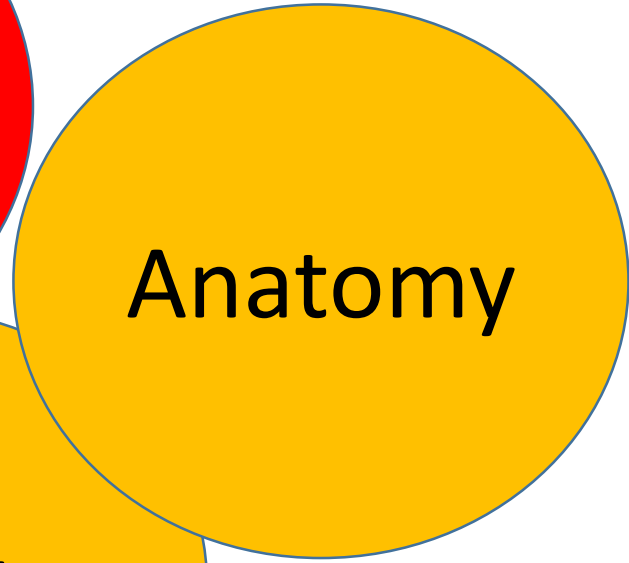

ALL

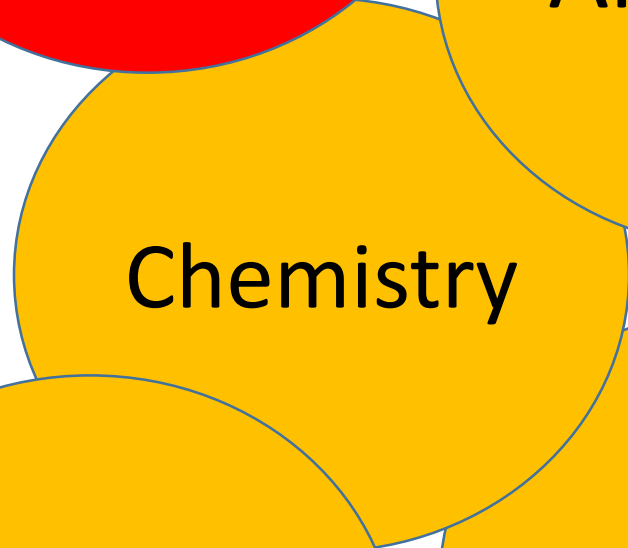

ALL

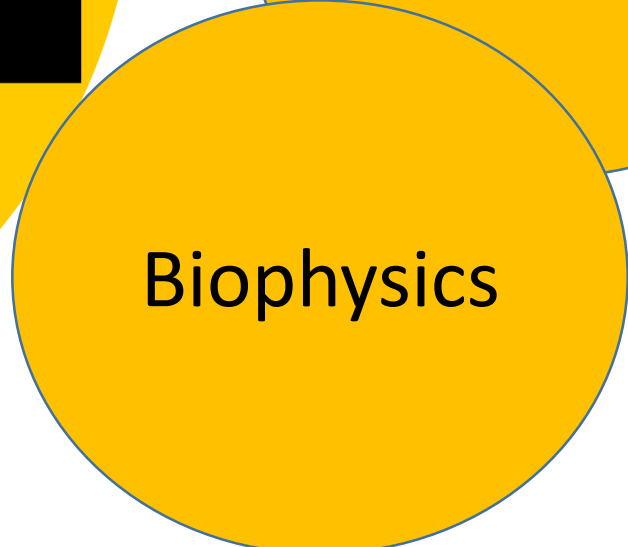

Exams
Credits

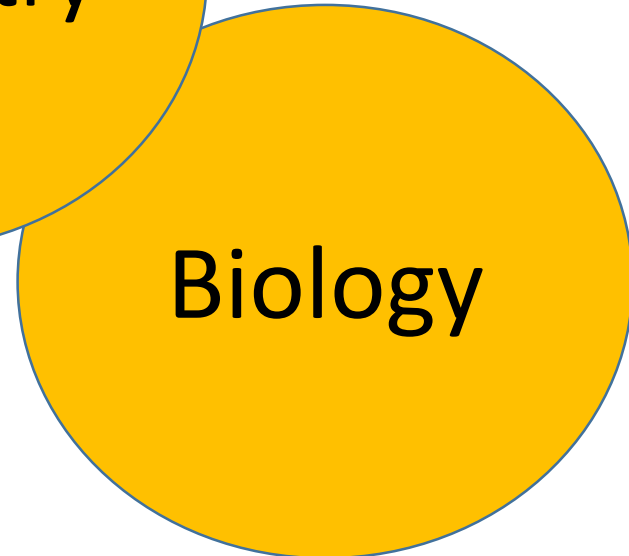

Anatomy

Chemistry

Biophysics

Biology

completion of the course

- credit
- colocvium
- exam

all are equal and have their own conditions!
(credit can sometimes be more demanding than the exam!)

EXCEPTIONS

Time to
Go Home!

study!

time everything right!

go to lectures!

listen to your teacher!

help each other!

believe in yourself!

it's worth it!

GOOD LUCK
