Selection Procedure – Erasmus+ 2026/27

The Faculty of Medicine and Dentistry, Palacký University Olomouc announces the selection procedure for students of the Faculty for study stays within the Erasmus+ programme for the 2026/2027 academic year. The announced study stays are listed further in this document.

1. Selection procedure requirements for undergraduate students

1. Students have to be registered in the accredited study programme of General Medicine or Dentistry;
2. Completion of 2nd year of study (Dentistry)/3rd year of study (General Medicine) prior to study abroad;
3. Good study results;
4. Language skills;
5. Extra-curricular activities will be taken into account;
6. Students who have not yet attended a study-stay within the Erasmus+ programme will be preferred;
7. One-semester mobilities will be supported;
8. Creating a preliminary study plan for each of the chosen foreign institutions for which the student applies (please make sure you choose subjects for at least 20 credits per semester);
9. Submission of all required documents (application form, preliminary study plans, confirmations, if applicable) within the deadline specified in the selection procedure;
10. Students planning to go to the country of their origin will be given lower priority; please be aware of one of the programme rules: Students must carry out their mobility activity in a Programme or Partner Country different from the country of the sending organisation and the country where the student has his/her accommodation during his/her studies.

Applicants for the selection procedure will be assessed according to the following criteria. Students with the highest score will be offered to select the study-stays of choice.

Rules of the selection procedure for undergraduate students

1. Grades – cumulative grade point average (CGPA)
- CGPA for completed academic years
- 100 points divided by CGPA

2. Language
- Scores: A (45 points), B (40 points), C (30 points), D (20 points), E (10 points)
- For Czech students, the exam result of the English/German language course shall be used to calculate the respective scores in case of study stays at universities where these languages are required.
- For other languages of the study-stay (French, Portuguese, Spanish, Italian, German or English), the respective language exam results will be considered. The language exam is obligatory, has to be passes successfully (A – E).

- For an applicant desirous of study-stay courses at several universities encompassing different languages of instruction, all languages shall be assessed separately.
- +15 points will be awarded for knowledge of the local language where English is the language of instruction (e.g. Hungarian, etc.)
- Language exam dates will be specified by the respective examiners and exams will take place in January, prior to the selection procedure (see more details further below).
- Students, who passed the language examination for the Erasmus selection procedures in previous years, cannot take the exam again. The result from the last years will be considered automatically.
- Students of the English programmes have to sit an exam in the language of instruction of the receiving institution; this requirement is not valid for native speakers who will automatically get 45 points.

3. Active work in student organizations (ESN, IFMSA, PEPA, Spolek mediků, SSS ČR): +10 points
- On behalf of the respective student organizations, confirmations will be issued by:
  IFMSA – Tomáš Konečný (lp.upol@ifmsa.cz)
  Spolek mediků – Michal Kropáček (predseda@spolekmediku.cz)
  SSS ČR – Paulína Kubincová (leo.olomouc.ssscr@gmail.com)
  ESN – (president@esn.upol.cz)
  PEPA – Sotiria Triantafyllidi (sotiria.triantafyllidi01@upol.cz)

4. Active participation in the student scientific activity "SVOČ": +10 points
- Confirmation from the Dean's office is required.
- Students will not get any points for the current "SVOČ" of the 2025/2026 academic year.

5. Active participation as an undergraduate teaching assistant: +10 points
- Confirmation from the Dean's office is required.
- Students will not get any points for the activity in the 2025/2026 academic year.

6. First study-stay within the Erasmus+ programme: +10 points
