

The background features abstract, overlapping geometric shapes in various shades of green, primarily on the left and right sides, framing a central white area where the text is located.

Medical care for students of GM and dentistry in UP

Types of insurance in Czech Republic

- ❖ There're 2 types of insurance in Czech Republic:
 - Public insurance for example - 111, 207, 213, 205 and others
 - Commercial insurance - pvzp (333), Slavia
- ❖ 2. If You're from EU, You have a card of EU, You should register it at the office of VZP and get a number of Czech health security.
- ❖ 3. If You aren't from EU, You need to buy a commercial insurance, please buy pvzp product, better exclusive!!!! No other commercial insurance are acceptable!!! We have a good co-working experience with this type of insurance.
